

River Grove Parent Participation Form

2019-20

Part of the mission of River Grove is to utilize the civic stewardship of the community as a foundation for our children's learning. To put this into practice, we ask that each parent/guardian of our students give back to the school in some form throughout the school year. This participation in your child's education can take many forms. We have provided a variety of options for you to choose from in this form below. Please fill this out and return to the school office. You will be contacted later when opportunities for your selection are available.
